

Jack Tizard School School Lettings POLICY

Reviewed by Governors 4th July 2014

MANAGEMENT OF LETTINGS

The Governing Body has overall responsibility for school buildings and premises and the management of lettings, and has delegated the function to the Head teacher or her delegated representative. The Head teacher responsible for:

- receiving and approving lettings applications for hiring school premises
- making arrangements for supervision of lettings
- collecting income from lettings and balancing this against expenditure as part of the management of the school budget
- undertaking administrative duties arising from the lettings function

A letting must not interfere with the primary activity of the school, which is to provide a high standard teaching and learning environment for its students. The school lettings function is overseen by the Business Manager, with day-to-day operational management undertaken by Hydro pool staff and the Premises Manager

LETTINGS POLICY

Jack Tizard School encourages links with the local community and welcomes its premises being used by groups after the school day or at other times, as far as is reasonably practicable. Consequently, priority will be given to the local community and voluntary groups over commercial users, and users directly associated with the school. Letting applications are considered as long as they meet the following criteria:

- the letting does not impact adversely on school activities
- the letting would be economically viable (normally 3 hours minimum at weekends)
- requests granted only if compatible with school values and policies

The school is located in a residential area and the consideration of lettings applications requires balancing the needs of the local community with the expectations of the school's neighbours for reasonable peace and quiet, particularly at weekends and during Public Holidays. Lettings applications will therefore be declined if, in the opinion of the school, they are likely to create any disturbance, noise, nuisance, annoyance or inconvenience to local residents.

Hirers need to complete the Lettings Application Form (Appendix 1) and by so doing agree to abide by the Conditions of Hire (Appendix 2). Letting will usually be on a termly basis to enable a review at the end of each term.

CHARGES

The school applies an appropriate scale of charges for lettings to commercial and private users to cover costs associated with Site Care staffing and utilities. Charges comprise:

- set up / set down costs (if less than half hour each side of the letting, inclusive in hourly rate)
- cleaning
- utilities
- reception cover and site cover, for which enhanced rates apply at weekends or public holidays

One-off bookings may be subject to a deposit and the school reserves the right to retain this deposit should the booking overrun, or there be any disturbance or damage. There are exceptions to the above general charging policy and lower rates may be offered to local charities, residents groups or voluntary groups who wish to use the school facilities outside normal school hours and generate no income for themselves. In certain circumstances, a group's activities may be accommodated within the normal operational hours of the school and in such cases the Head teacher will decide if charges can be waived. The charges below are for community groups, based on one School Duty Manager (SDM) being on site for the duration of the hire. Commercial hires or other groups wishing to hire the premises will be charged higher rates depending on the number of school staff required to manage the premises whilst the event is being run.

FIRST AID

This could be someone responsible for phoning an ambulance, or ensuring a qualified First Aider is on the premises for the duration of the hire, and who has access to appropriate first aid equipment for their group, including notes of medical conditions and appropriate course of action.

DBS

Should the activity taking place by the hirer involve direct contact with children or vulnerable adults, the school will need to have sight of, and record details of, relevant personnel's original DBS checks (photocopies will not be accepted)for inclusion in our single central record.
