

# Jack Tizard Coronavirus Response Plan

High Temperature (37.8°C or above)      Loss of smell or taste      New persistent cough

Pupil, staff member **or** a member of their household displays symptoms.

Pupil or staff member **and** their household to remain home and seek a Coronavirus test. Tests available from [www.gov.uk/get-coronavirus-test](http://www.gov.uk/get-coronavirus-test). If a pupil or staff member is in school they will be isolated until they can safely get home.

### Negative Test Result

- Pupil, staff member and their household can return to school/work
- No further action needed

### Positive Test Result

- Pupil or staff member must self isolate for 10 days
- Pupil or staff member's household must self isolate for 14 days

### School 'Bubble'

- SLT to complete risk assessment with Public Health England (PHE).
- School 'bubble' to be isolated.
- SLT or class teacher to call parents of pupils within school bubble
- Pupils and staff members within the bubble to self isolate at home for **14** days from the day they were **last** in contact with the infected person

### Questions and Concerns

If you have any questions, concerns or queries please do not hesitate to contact someone at Jack Tizard

Pupils and families

- Contact your child's class teacher or Head of Department

Staff members

- Contact your immediate line manager.

### Rest of school

- SLT or class teacher to inform rest of school community
- School **may** close for **1 day**, for sanitisation and deep clean depending on PHE and risk assessment.
- SLT to continue to liaise with PHE
